SERVE

**STEWARDSHIP THOUGHT**

Jesus, whom God called “my beloved Son,” is also the “servant” of whom Isaiah speaks in the first reading. We who are baptized in Christ must follow His example and use our time and resources in the service of God and neighbor.

**PENSAMIENTO ADMINISTRATIVO**

Jesús, a quien Dios llamó "mi hijo amado," también es el «siervo» de quien Isaías habla en la primera lectura. Bautizados en Cristo debemos seguir su ejemplo y utilizar nuestro tiempo y recursos al servicio de Dios y al prójimo.

**OFRENDAS DE LA SEMANA**

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa." La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis. Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti. Hacer una inversión en el reino de Dios hoy!.

**WEEKLY OFFERING**

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on “Fair Share Offerings.” The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese. Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities. Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

**Jubilee of Mercy**

The Jubilee will be celebrated both in Rome and in the Particular Churches as a visible sign of the Church’s universal communion.

We recall the poignant words of Saint John XXIII when, opening the Council, he indicated the path to follow: “Now the Bride of Christ wishes to use the medicine of mercy rather than taking up arms of severity... the Catholic Church, as she holds high the torch of Catholic truth at this Ecumenical Council, wants to show herself a loving mother to all; patient, kind, moved by compassion and goodness toward her separated children.”

As part of our Jubilee of Mercy Celebration, we are happy to share with you this introduction to our Mercy Project Video Series. The goal of the Mercy Project is to inspire and motivate even more of our people to engage in works of mercy during this Extraordinary Jubilee.

The entire series of videos on the works of mercy will be rolled out in regular installments, starting on Tuesday, January 12. The will be featured on the new website: [JubileeOfMercy-eb.org](http://JubileeOfMercy-eb.org).

**Jubileo de la Misericordia**

El Jubileo se celebrará en Roma y en las Iglesias particulares como un signo visible de comunión universal de la iglesia.

Recordamos las conmovedoras palabras de San Juan XXIII cuando, al abrir el Consejo, indicó el camino a seguir: "ahora la novia de Cristo desea usar la medicina de la misericordia en lugar de tomar las armas de la severidad... la Iglesia Católica, al sostener en alto la antorcha de la verdad Católica en este concilio ecuménico, quiere mostrarse como una madre cariñosa para todos; paciente, bondadosa, movida por la compasión y bondad hacia sus hijos separados”.

### *Nurses Notes*

#### JANUARY IS NATIONAL BLOOD DONOR MONTH

Since 1970, January has been known as National Blood Donor Month. It's a time when blood organizations like the American Red Cross pay tribute to the nearly 11 million people who give blood each year, and encourage others to start the New Year off right by giving the gift of life.

Blood donors bring hope and promise to hospital patients who may need blood for their very life. Donors are people like you who play a vital role in modern health care by helping ensure hospitals have blood for patients.

January is a challenging time for blood donation because cold and snowy weather and busy post-holiday schedules can make it difficult for blood donors to keep appointments. Regardless of the time of year, hospital patients nationwide need about 44,000 blood donations daily for cancer care, surgeries, and the treatment of serious diseases and trauma.

The Red Cross encourages donors to make and keep appointments, both for convenience and to reinforce the feeling of commitment.
