### STEWARDSHIP THOUGHT

In today's second reading, St. Paul tells the Corinthians (and us) that all of our gifts are from God and that they are given, not for ourselves alone, but for the common good. But the generosity of God knows no limits – the miracle at Cana reminds us that whenever we faithfully do as God asks, He can change our gifts of water into wine!

### PENSAMIENTO ADMINISTRATIVO

En la segunda lectura de hoy, San Pablo le dice a los Corintios (y a nosotros) que todos nuestros dones son de Dios y que se dan, no para nosotros solos, sino para el bien común. Pero la generosidad de Dios no conoce límites: el milagro en Caná nos recuerda que siempre que hacemos fielmente lo que Dios pide, él puede cambiar nuestros regalos de agua en vino!

### OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa." La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis. Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti. Hacer una inversión en el reino de Dios hoy!

### WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings." The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese. Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities. Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

**New to the Parish?** Welcome! We extend our hearts and hands in Christian fellowship, as you join with us in worship. If you are new to the parish, registration forms are available in the foyer, online through our website or fill out this form, drop in the collection plate or mail to the office and we will mail a registration packet to you.

### Jubilee of Mercy

The mercy of God is not an abstract idea, but a concrete reality through which he reveals his love as that of a father or a mother, moved to the very depths out of love for their child.

As part of our Jubilee of Mercy Celebration, we are happy to share with you this introduction to our Mercy Project Video Series. The goal of the Mercy Project is to inspire and motivate even more of our people to engage in works of mercy during this Extraordinary Jubilee.

The entire series of videos on the works of mercy will be rolled out in regular installments, starting on Tuesday, January 12. They will be featured on the new website: [JubileeOfMercy-eb.org](http://JubileeOfMercy-eb.org).

### Jubileo de la Misericordia

la misericordia de Dios no es una idea abstracta, sino una realidad concreta a través del cual Él revela su amor como el de un padre o una madre, conmovido a lo más profundo por amor a sus hijos.

Como parte de nuestra celebración del Jubileo de la misericordia, nos complace compartir con ustedes esta introducción a nuestra serie de video Proyecto de Misericordia. El objetivo del Proyecto de Misericordia es inspirar y motivar aún más de nuestro pueblo a participar en obras de misericordia durante este jubileo extraordinario. Toda la serie de videos sobre las obras de misericordia se extenderá en pagos regulares, a partir del Martes 12 de Enero. Serán presentados en el nuevo sitio web: [JubileeOfMercy-eb.org](http://JubileeOfMercy-eb.org)

### *Nurses Notes*

#### **Upper airway resistance syndrome**

You sleep a reasonable number of hours -- at least it seems as if you do -- but when you wake up, you feel like you hardly slept.

If this sounds like you or someone close to you, you'll want to know about a little-known breathing problem called Upper Airway Resistance Syndrome (UARS). Unlike sleep apnea UARS has only recently been getting attention. The term "resistance" refers to the fact that something is slowing or blocking air in the nasal passages. The most common causes are mild nasal congestion or tongue position during sleep that blocks breathing. Because resistance in the upper airways makes it harder work simply to breathe, your sleep is disrupted throughout the night. What's really happening, is that your body is half-waking up over and over again during the night. Since you're unable to fall into a deep restorative sleep, you don't feel refreshed in the morning.

#### How to Find out if You Have UARS

While sleep apnea is much more common in men (only 5 percent of those with apnea are women) UARS affects men and women about equally. Some people with UARS also have low blood pressure and cold hands and feet. And, if you have found over the years that you simply cannot sleep on your back (you invariably wake up) it's very likely the reason is UARS.

UARS is so new, not all doctors are familiar with it, and many sleep clinics don't use techniques capable of identifying these subtle changes in breathing patterns. (UARS may not show up in traditional tests for disordered breathing, which measure oxygen levels.) So if you suspect you have UARS, choose a sleep study lab that's familiar with the disorder and has the equipment to test for pressure changes in your nose or alternations in breathing or pulse wave signals.
