Ash Wednesday

Ash Wednesday is February 14th. Distribution of ashes will be at 9:00 AM Morning Mass, 4:00 PM Family Service and 7:00 PM bilingual Mass all in the Hall. Ash Wednesday marks the beginning of the Season of Lent. It is a season of penance, reflection, and fasting which prepares us for Christ's Resurrection on Easter Sunday, through which we attain redemption.

Miércoles de ceniza

El 14 de Febrero es Miércoles de ceniza. La ceniza se distribuirá a la misa de 9:00 AM, el servicio familiar de 4:00 y misa de 7:00 PM en el salón principal. El Miércoles de ceniza marca el principio de la cuaresma. Es una temporada de penitencia, reflexión y ayuno que nos prepara para la Resurrección de Cristo el Domingo de Pascua, por medio del cual obtenemos la redención.

Please remember to **BRING YOUR BLESSED PALMS TO CHURCH**

and place in the basket at the Baptismal Fount so they can be made into the ashes we use to mark the beginning of our Lenten practice

Favor de recordar trae
SUS PALMAS BENDITAS A LA IGLESIA
y ponerlas en la canasta de la Pila Bautismal para que puedan hacerlas cenizas que usaremos para esta

THE FLU SEASON!

The Flu has become a bit of an epidemic this year. Just a reminder, physicians are encouraging people to get flu shots. It is not too late. **If you are experiencing early symptoms of the flu (fever, cough, sore throat, sneezing etc.) please stay home as an act of charity to those who are not infected.** If you are sick you are excused from the obligation of Sunday Mass attendance. If you are recovering and still are coughing and sneezing please remember to **cough or sneeze into your sleeve not your hand.** **Wash your hands frequently and use ant-bacterial hand sanitizers.** If you are symptomatic refrain shaking and holding hands and from drinking from the Eucharistic Cup you may however venerate the cup by taking it holding it up with head bowed and return to the Eucharistic minister. There is no need to become paranoid or obsessive but with a little common sense and good practices we can reduce the spread of the flu in the community. Thank you.

Celebration of the Sacrament of the Sick

The Sacrament of the Sick is for all who are suffering from physical or mental illness, for those who will be undergoing surgery or elderly people who have become notably weakened even though no serious illness is present. Please join us on **Saturday, February 10th at 11:00 AM** in the CLC for Mass and anointing of the sick.

Celebración del Sacramento de los Enfermos

" El Sacramento de los Enfermos e para todos los que sufren de enfermedades físicas o la enfermedad mental, para aquellos que van a tener cirugía o para personas mayores que se han debilitado aun sin estar seriamente enfermos. Favor de acompañarnos el **Sábado 10 de Febrero a las 11:00 am** en el CLC Misa y unción de los enfermos.

¡ la temporada de gripe!

la gripe se ha convertido en una epidemia este año. Sólo un recordatorio, los médicos están animando a la gente a recibir vacunas contra la gripe. No es demasiado tarde. **Si esta padeciendo los síntomas iniciales de la gripe (fiebre, tos, dolor de garganta, estornudos, etc.) por favor, quédese en casa como un acto de caridad para aquellos que no están infectados.** Si está enfermo, se le excusa de la obligación de asistir a misa dominical. Si se está recuperando y todavía está tosiendo y estornudando por favor recuerde toser o estornudar en su manga no su mano. Lávese las manos con frecuencia y Utilice desinfectantes para las manos.

Si tiene síntomas absténgase de saludar tomarse de las manos y de beber de la Copa eucarística, sin embargo, puede venerar la Copa tomándola sosteniendo con la cabeza inclinada y volver al ministro de Eucaristía.

No hay necesidad de volverse paranoico u obsesivo pero con un poco de sentido común y buenas practicas podemos reducir la propagación del la gripe en nuestra comunidad. Gracias

Our Catholic Life—the Mystery of God

We invite all adults to come and join us as we explore the foundations of our Catholic faith. We will use Scripture and the Catechism of the Catholic Church as we will pray, study, share, and reflect on our vocations as Christians. Our program will be facilitated by Fr. Ron. The material was developed by Bill Huebsch. He is a leader in adult faith formation and our material is presented in accessible language for all. We will begin by considering the human heart. It is in our hearts that we find the longing that leads to faith. And we find that being with God is the only way to happiness. We will meet twice monthly between January and March.

### Nurses Notes

## Alcohol Use Disorder Treatment

Ultimately, there is no one-size-fits-all solution, and what may work for one person may not be a good fit for someone else. Simply understanding the different options can be an important first step.

Types of Treatment

- Behavioral Treatments
  - Behavioral treatments are aimed at changing drinking behavior through counseling. They are led by health professionals and supported by studies showing they can be beneficial.
- Medications
  - Three medications are currently approved in the United States to help people stop or reduce their drinking and prevent relapse. They are prescribed by a primary care physician or other health professional and may be used alone or in combination with counseling.
- Mutual-Support Groups
  - Alcoholics Anonymous (AA) and other 12-step programs provide peer support for people quitting or cutting back on their drinking. Combined with treatment led by health professionals, mutual-support groups can offer a valuable added layer of support.

Due to the anonymous nature of mutual-support groups, it is difficult for researchers to determine their success rates compared with those led by health professionals.

Like CPR, **Mental Health First Aid** prepares people to interact with a person in crisis and connect them with help. Our **Experience Hope Training Institute** teaches basic restorative and trauma-responsive philosophies and practices.

Many people with mental health struggles find solace in their faith. But church members or staff may not know how to respond to their struggles or help in a crisis. This training offers tools and answers to questions like, “What do I do?” or “Where can someone find help?”

This course is appropriate for anyone who wants to learn how to help someone who may be experiencing a mental health-related crisis or problem. Participants can use the skills learned in their daily lives, including within their own families, churches, or neighborhoods.
