If you have questions please contact Lisa at [lisap@stannechurchbyron.com](mailto:lisap@stannechurchbyron.com) or 634-6625. **Covenant Corner**

The **Covenant Corner** is an opportunity for us to recognize those who use their gifts in service for others. We want to give regular thanks to those who do so much for all of us. So we invite you when you see someone doing something worth noting to let us know, by mail or email [office@stannechurchbyron.com](mailto:office@stannechurchbyron.com). Please keep the note 4-5 short sentences (maximum). Then we can get it in the bulletin.

**Synod on Marriage and the Family Questionnaire**

I want to call to your attention once again this week that the Bishop has asked us for input to give to the Synod on Marriage and the Family that will meet in Rome this coming October. Marriage and Family are extremely important values for all of us. But there are many difficulties in our lives and our cultures that that Church needs to respond to. You can be of significant help in his effort. Pope Francis and the Synod Fathers have sought this input from all members of the Church, all levels, all walks of life and life experience. A questionnaire has been created that I ask you to fill out on line in the next week. It is available in both English and Spanish and can be found at: [www.oakdiocese.org/survey](http://www.oakdiocese.org/survey) Please give this your attention. The participation of all is needed.

Quisiera llamarles su atención una vez mas esta semana a que el Obispo nos ha pedido que compartamos nuestros pensamientos con el Dinodo sobre el Matrimonio y la Familia que se reunirá en Roma este octubre. El matrimonio y la familia tienen un valor muy alto para nosotros. Pero hay muchas dificultades en nuestras vidas y en nuestra cultura a las que la Iglesia necesita responder. Usted puede ser de gran ayuda en este esfuerzo. El Papa Francisco y los Padres Sinodales han buscado aportaciones de todos los miembros de la Iglesia, de todos los niveles, con todo tipo de experiencias. Les Pido que llenen el cuestionario que fue desarrollado para este Proyecto en la siguiente semana. Esta disponible en ingles y español y se puede encontrar en: [www.oakdiocese.org/survey](http://www.oakdiocese.org/survey). Por favor, préstele su atención. Se necesita la participación de todos.

Pope Francis proclaimed 2015 the Year of Consecrated Life. Sisters and Brothers in Christ, living consecrated lives, make great contributions to our society. They minister with people poor and rich, near and far, educated and illiterate, sick and healthy, helpless and powerful, believers and non-believers. During this year, we at St. Anne will highlight the ministry of many sisters and brothers. We welcome you to write a short story of a sister or brother who has influenced you. Email [srbarbara@stannechurchbyron.com](mailto:srbarbara@stannechurchbyron.com).

El Papa Francisco proclamó el 2015 como el año de la vida consagrada. Los hermanos y hermanas en Cristo que viven vidas consagradas hacen grandes aportaciones a nuestra sociedad. Ministran con gente pobre y rica, cerca y lejos, educados y analfabetos, enfermos y sanos, indefensos y potentes, creyentes y no creyentes. Durante este año, en Santa Ana sacaremos a relucir el Ministerio de muchos hermanos y hermanas. Le invitamos a escribir una breve historia de una hermana o hermano que los ha influenciado. ## SERVE

### STEWARDSHIP THOUGHT

Like St. Paul in the second reading, the good steward can say, "I do all that I do for the sake of the gospel in the hope of having a share in its blessing."

### PENSAMIENTO ADMINISTRATIVO

Como San Pablo en la segunda lectura, el buen administrador puede decir, "hago todo lo que hago por el Evangelio con la esperanza de tener una parte en su bendición."

### OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa."

La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis.

Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti.

### WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings."

The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese.

Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

Welcome! We extend our hearts and hands in Christian fellowship, as you join with us in worship. If you are new to the parish, Scan the QR code with your smart phone to access our website. No Smart Phone -Registration forms are also available in the foyer and on our website.

### *Nurses Notes:*

#### *Mental Health and Illness*

What do Abraham Lincoln, Lionel Aldridge of the 1960's Greenbay Packers, Virginia Wolf, Ludwig Von Beethoven and Isaac Newton have in common? They all had a serious mental illness.

Research on mental health shows that mental disorders are common throughout the United States, and the world, affecting tens of millions of people each year, ( affecting approximately 1 in 4 persons) and that, overall, only about half of those affected receive treatment. Although mental health and mental illness are related, they represent Different psychological states.

Being healthy, mentally and emotionally, means you feel good about yourself, your relationships, and your purpose in life.

Mental disorders are real disabling health conditions that have a tremendous impact on individuals and families. These disorders occur in all racial, ethnic and socioeconomic groups.

Mental illness is characterized by alterations in thinking, mood, or behavior (or some combinations thereof) and is associated with distress and or impaired functioning. These illnesses include bipolar disorder, schizophrenia, depression, attention deficit disorder, anxiety, substance abuse, autism, behavior issues and eating disorders.

Treatment is individualized and may involve various treatments of medications, counseling and psychotherapy, rehabilitation and attention to other psychosocial problems. It is estimated that by 2020, depression will be the second leading cause of disability in the world.

Stigma also has a detrimental affect on treatment outcomes, and so hinders efficient and effective recovery from mental health problems. It's time to change our view of mental illness and get treatment.
