### Our Catholic Life—the Mystery of God

We invite all adults to come and join us as we explore the foundations of our Catholic faith. We will use Scripture and the Catechism of the Catholic Church as we will pray, study, share, and reflect on our vocations as Christians. Our program will be facilitated by Fr. Ron. The material was developed by Bill Huebsch. He is a leader in adult faith formation and our material is presented in accessible language for all. We will begin by considering the human heart. It is in our hearts that we find the longing that leads to faith. And we find that being with God is the only way to happiness. We will meet twice monthly between January and March.

#### BENEFITS OF DARK CHOCOLATE

Studies show that high cocoa content dark chocolate is nutritious and full of antioxidants. It can improve health and lower the risk of heart disease.

High content cocoa contains 70 - 85 % cocoa  
Although effects are mild, there are many trials that prove that dark chocolate lowered the resistance to blood flow and lowers blood pressure.

It lowered LDL ( bad cholesterol) and increased HDL ( good cholesterol ) thus reducing risk factors for heart disease.  
Studies show that flavenols from cocoa can improve blood flow to the skin and improve sun damaged skin.

Cocoa may improve blood flow to the brain, thus improving cognitive function in the elderly.

Of course I'm not advocating overeating dark chocolate, ( it does have calories) but do enjoy a small square or two for dessert.

### STEWARDSHIP THOUGHT

When Jesus asked the Samaritan woman for a drink of water, He opened the door for a life-changing relationship with Him. Scripture says her testimony drew many others to Him as well. We, too, must be ready to respond whenever and wherever the Lord speaks to us and be prepared for it to change our lives!

### PENSAMIENTO ADMINISTRATIVO

Cuando Jesús dijo a la mujer samaritana por un vaso de agua, abrió la puerta a una relación de cambio de vida con Él. La Escritura dice que su testimonio atrajo a muchos otros a él también. Nosotros, también, debemos estar listos para responder en cualquier momento y dondequiera que el Señor nos habla y se preparará para que cambie nuestras vidas!

Saint Vincent de Paul Conference of  
Saint Anne Church

The members of the St. Anne Church St. Vincent de Paul wish to thank all the parishioners for your continued support so we can help others in need.

We thank the St. Anne Women's Fellowship for their generous support through the year.

We also want to thank Catholic Charities Operation Rice Bowl for giving us a grant of \$550.

Last year through donations and grants we had an income of \$20,154 dollars and our help to clients was \$18,162. The only office expenses we have are for stamps, checks and a monthly bank fee. We assist people with rent, food, gas, utilities, clothing and bedding.

The new St. Vincent de Paul thrift store is now open next to Ace Hardware in Brentwood.

Please take time to visit it as much effort has been made to make it very appealing. They are now accepting clean, gently used clothing and furniture and selected electronics.

We welcome new members Michael and Evy Maita, David and Joanne Ramsel and Jodee Carlstrom. We always need new members and we ask you to prayfully to consider joining SVdP to help us serve our community.

Thank you,  
Evo Coelho  
President

### Sisters of Holy Names Public Statement re regulation of guns for safety of all.

The Sisters of the Holy Names of Jesus and Mary support the actions of those who seek reasonable regulations on firearms following the shooting at Marjory Stoneman Douglas High School in Parkland, Florida. It is morally wrong to remain silent and inactive in the presence of mortal danger to schoolchildren and those who care for them.

We extend our heartfelt prayers to those who will never cease to mourn the loss of those 17 precious lives, and we agree with those who cry out that prayers are not enough. We affirm the call by the United States Conference of Catholic Bishops for a ban on assault weapons. The USCCB states, "We must respond. Violence - in our homes, our schools and streets, our nation and world - is destroying the lives, dignity and hopes of millions of our sisters and brothers."

Throughout our religious community's 175-year history, we have been committed to loving and educating students. We remain committed to the mission of our foundress to support the full development of the human person. This cannot happen when the realistic fear of a mass shooting pollutes the atmosphere of every classroom.

We repeat our call for lawmakers to enact legislation that will end the constant threat of gun violence in the United States. We stand in solidarity with the Parkland students and their allies who reject the idea that existing gun laws are acceptable. We join their demand for immediate action to make society safer for all, especially for children and youth, by reducing minors' access to guns and banning assault weapons.

**St. Anne Pastoral Team and Staff agree with, affirm, and endorse this. Stand which urges us to act for new legislative action for the safety of all in our nation.**

Like CPR, **Mental Health First Aid** prepares people to interact with a person in crisis and connect them with help. Our **Experience Hope Training Institute** teaches basic restorative and trauma-responsive philosophies and practices.

Many people with mental health struggles find solace in their faith. But church members or staff may not know how to respond to their struggles or help in a crisis. This training offers tools and answers to questions like, “What do I do?” or “Where can someone find help?”

This course is appropriate for anyone who wants to learn how to help someone who may be experiencing a mental health-related crisis or problem. Participants can use the skills learned in their daily lives, including within their own families, churches, or neighborhoods.
