Lent Days of Fast and Abstinence

Good Friday is a day of both fast and abstinence.

Good Friday is an obligatory day of fast and abstinence. Fasting is obligatory for all who have completed their 18th year and have not yet reached their 60th year. Fast-ing allows a person to eat one full meal. Two smaller meals may be taken, not to equal one full meal. Abstinence (from meat) is obligatory for all who have reached their 14th year.

Fridays in Lent are obligatory days of complete abstinence (from meat) for all who have completed their 14th year.

"No one should be scrupulous in this regard; failure to observe some penitential day is not considered serious; rather it is failure to observe any penitential days at all or a substantial number of such, which is considered serious." -U.S. Bishops Conference

Días de Ayuno y Abstinencia durante la Cuaresma

Viernes Santo es día de ayuno y abstinencia.

Viernes Santo es día obligatorio de ayuno y abstinencia.

Ayuno es obligatorio para todos los ma-yores de 18 años hasta los 6°. Ayuno permite a la persona solo comer una comida completa al día. Con dos porciones menores que equivalen a una comida completa. Abstinencia de comer carne es obligación desde los 14 años de edad.

Los Viernes de Cuaresma obliga a no comer carne desde los 14 años de edad.

"Nadie debe ser escrupuloso si no puede cumplir con algo en día de penitencia, no es considerado serio; mejor dicho si no puede cumplir con ninguna penitencia entonces si es considerado serio" - U.S. Bishops Conference

Nurses Notes

Know the signs of a stroke and what to do to prevent them

Reduce your risk for stroke

To lower your chances of stroke, follow these tips:

Don't smoke or allow others to smoke around you. Limit alcohol to 2 drinks a day for men and 1 drink a day for women.

Stay at a healthy weight. Being overweight makes it more likely you will develop high blood pressure, heart problems, and diabetes. These conditions make a stroke more likely

Get at least 30 minutes of exercise on most days of the week.

Eat heart-healthy foods. These include fruits, vegetables, high-fiber foods, and foods that are low in sodium, saturated fat, trans fat, and cholesterol. Eat fish at least 2 times each week. Oily fish, which contain omega-3 fatty acids like salmon are best.
