Lent Days of Fast and Abstinence

Good Friday is a day of both fast and abstinence.

Fridays in Lent are obligatory days of complete abstinence (from meat) for all who have completed their 14th year. **Good Friday** is an obligatory day of fast and abstinence. Fasting is obligatory for all who have completed their 18th year and have not yet reached their 60th year. Fasting allows a person to eat one full meal. Two smaller meals may be taken, not to equal one full meal. Abstinence (from meat) is obligatory for all who have reached their 14th year.

"No one should be scrupulous in this regard; failure to observe some penitential day is not considered serious; rather it is failure to observe any penitential days at all or a substantial number of such, which is considered serious." -U.S. Bishops Conference

Días de Ayuno y Abstinencia durante la Cuaresma

Viernes Santo esta día de ayuno y abstinencia.

Los Viernes de Cuaresma obliga a no comer carne desde los 14 años de edad. **Viernes Santo** esta día obligatorio de ayuno y abstinencia. Ayuno es obligatorio para todos los mayores de 18 años hasta los 6°. Ayuno permite a la persona solo comer una comida completa al día. Con dos porciones menores que equivalen a una comida completa. Abstinencia de comer carne es obligación desde los 14 años de edad. *"Nadie debe ser escrupuloso si no puede cumplir con algo en día de penitencia, no es considerado serio; mejor dicho si no puede cumplir con ninguna penitencia entonces si es considerado serio"* -U.S. Bishops Conference

The next stop on our CRS Rice bowl journey is the African nation, Niger, where we're reminded that life's joys and challenges are often seasonal.

This week we pray for people who struggle to feed their families during the hungry season – when food is in short supply – and we commit to acting for the common good.

La siguiente parada en nuestro viaje CRS Rice Bowl es la nación africana, Níger, donde se nos recuerda que las alegrías y desafíos de la vida son a menudo estacionales. Esta semana oramos por las personas que luchan por alimentar a sus familias durante la temporada de hambre - cuando la comida escasea - y nos comprometemos a actuar por el bien común.

Pope Francis proclaimed 2015 the Year of Consecrated Life. Sisters and Brothers in Christ, living consecrated lives, make great contributions to our society. They minister with people poor and rich, near and far, educated and illiterate, sick and healthy, helpless and powerful, believers and non-believers. During this year, we at St. Anne will highlight the ministry of many sisters and brothers. We welcome you to write a short story of a sister or brother who has influenced you. Email [srbarbara@stannechurchbyron.com](mailto:srbarbara@stannechurchbyron.com).

El Papa Francisco proclamó el 2015 como el año de la vida consagrada. Los hermanos y hermanas en Cristo que viven vidas consagradas hacen grandes aportaciones a nuestra sociedad. Ministran con gente pobre y rica, cerca y lejos, educados y analfabetos, enfermos y sanos, indefensos y potentes, creyentes y no creyentes. Durante este año, en Santa Ana sacaremos a relucir el Ministerio de muchos hermanos y hermanas. Le invitamos a escribir una breve historia de una hermana o hermano que los ha influenciado. ### STEWARDSHIP THOUGHT

When Jesus asked the Samaritan woman for a drink of water, He opened the door for a life-changing relationship with Him. Scripture says her testimony drew many others to Him as well. We, too, must be ready to respond whenever and wherever the Lord speaks to us and be prepared for it to change our lives!

### PENSAMIENTO ADMINISTRATIVO

Cuando Jesús dijo a la mujer samaritana por un vaso de agua, abrió la puerta a una relación de cambio de vida con Él. La Escritura dice que su testimonio atrajo a muchos otros a él también. Nosotros, también, debemos estar listos para responder en cualquier momento y dondequiera que el Señor nos habla y se preparará para que cambie nuestras vidas!

### OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa."

La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis.

Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti.

### WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings."

The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese.

Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

### Counseling Services

St. Anne's is providing individual, couples and family counseling. The provider is Marie Hall, MSW, who is a licensed clinical social worker. Please contact her at 925-634-6625 ext. 228 or at [marieghallcsw@comcast.net](mailto:marieghallcsw@comcast.net) for more information regarding fees or to schedule an appointment.

### *Nurses Notes:*

#### Doctor visits and family history

##### **Q: How can I learn about my family history?**

**A:** The best way to learn about your family history is to ask questions, talk at family gatherings, draw a family tree and record health information. If possible, look at death certificates and family medical records.

##### **Q: What should I do with the information?**

**A:** First, write down the information you collect about your family history and share it with your doctor. Second, remember to keep your information updated and share it with your siblings and children. Third, pass it on to your children, so that they too will have a family history record.

##### **Q: How do I learn about my family history if I'm adopted?**

**A:** Learning about your family health history may be hard if you are adopted. Some adoption agencies collect medical information on birth relatives. This is becoming more common but is not routine. Laws concerning collection of information vary by state. Contact the health and social service agency in your state for information about how to access medical or legal records. The National Adoption Clearinghouse offers information on adoption and could be helpful if you decide to search for your birth parents. To learn more, visit <http://www.childwelfare.gov/>

### GARDEN TIPS:

-Don't let Mother Nature fool you! We're still in Winter, like it or not. But wait, trees are blooming, frogs are croaking!! We will see Winter rear his head again before too long. Most seeds need soil temperatures at 70° to begin germination.

-If you just can't wait to get your hands dirt, then utilize the help of mini green houses to warm the soil up. Plastic sheeting and some sticks or pipe over the area to be planted in, will be warmed from the thermal heat trapped but day.

Here Ye, Here Ye: It's that time of year again. We have a community garden that is looking for great people to work it. Whether a newbie or Green Thumb veteran-we're looking for YOU! Please contact Mike Vail-St. Anne's Garden Ministry Director to get a plot. My contact info is listed on the bulletin cover.

### **Kaleidoscope Krockpot Brigade**

Perhaps you saw the beautiful article in the February 6 Discovery Bay Press about our Krockpot Brigade. Thanks to Linea Jessup for her attention to this wonderful service that has been going for 11 years. Sharon Bonney, the Hospitality Director, gives us more details about how you can lend a much needed hand.

#### **Cooks Needed**

The Krockpot Brigade is in desperate need of additional cooks to serve our families going through chemo and radiation treatments. The Brigade is one of the oldest programs of Kaleidoscope and it has served over 5000 meals in the last 11 years. Over the years it has had an average of 30 to 40 cooks on the cooks list with 20 cooks active at any time. Currently we have 20 cooks with less than half of them actively cooking. We have four families receiving meals each week and we are having a hard time filling all the available dates.

If you have been a cook previously, if you thought you might like to cook but just never acted on that thought, if you know of friends or acquaintances who might want to cook, now is the time to step up and volunteer. You will be welcomed to our team with joyous hearts and your heart will swell with the love and appreciation you will receive from the families.

Every month, Margory Soltani, the Krockpot Brigade Coordinator, sends an email listing the families we serve and the dates we need cooks. You request your preferred family and the dates you want to cook. Margory will assign you those dates if you are the first to ask for that date. If not, she will contact you with other available dates still unfilled and you can select from that list. Cooking at least once a month would be very helpful right now, but you decide how often you want to cook and for which family or families.

You may contact Sharon Bonney ([sdbonney3@yahoo.com](mailto:sdbonney3@yahoo.com)) or Margory Soltani ([margorykarla@hotmail.com](mailto:margorykarla@hotmail.com)) to answer any questions or to sign up to cook.

Bon Appetit!
