Lent Days of Fast and Abstinence

Good Friday is a day of both fast and abstinence.

Fridays in Lent are obligatory days of complete abstinence (from meat) for all who have completed their 14th year. **Good Friday** is an obligatory day of fast and abstinence. Fasting is obligatory for all who have completed their 18th year and have not yet reached their 60th year. Fasting allows a person to eat one full meal. Two smaller meals may be taken, not to equal one full meal. Abstinence (from meat) is obligatory for all who have reached their 14th year.

"No one should be scrupulous in this regard; failure to observe some penitential day is not considered serious; rather it is failure to observe any penitential days at all or a substantial number of such, which is considered serious." -U.S. Bishops Conference

Días de Ayuno y Abstinencia durante la Cuaresma

Viernes Santo esta día de ayuno y abstinencia.

Los Viernes de Cuaresma obliga a no comer carne desde los 14 años de edad. **Viernes Santo** esta día obligatorio de ayuno y abstinencia. Abstinencia de comer carne es obligación desde los 14 años de edad. *"Nadie debe ser escrupuloso si no puede cumplir con algo en día de penitencia, no es considerado serio; mejor dicho si no puede cumplir con ninguna penitencia entonces si es considerado serio"* -U.S. Bishops Conference

Pope Francis proclaimed 2015 the Year of Consecrated Life. Sisters and Brothers in Christ, living consecrated lives, make great contributions to our society. They minister with people poor and rich, near and far, educated and illiterate, sick and healthy, helpless and powerful, believers and non-believers. During this year, we at St. Anne will highlight the ministry of many sisters and brothers. We welcome you to write a short story of a sister or brother who has influenced you. Email [srbarbara@stannechurchbyron.com](mailto:srbarbara@stannechurchbyron.com).

El Papa Francisco proclamó el 2015 como el año de la vida consagrada. Los hermanos y hermanas en Cristo que viven vidas consagradas hacen grandes aportaciones a nuestra sociedad. Ministran con gente pobre y rica, cerca y lejos, educados y analfabetos, enfermos y sanos, indefensos y potentes, creyentes y no creyentes. Durante este año, en Santa Ana sacaremos a relucir el Ministerio de muchos hermanos y hermanas. Le invitamos a escribir una breve historia de una hermana o hermano que los ha influenciado. ### STEWARDSHIP THOUGHT

When Jesus heard about the illness of His friend, Lazarus, He responded, "This illness does not lead to death; rather it is for God's glory, so that the Son of God may be glorified through it." Every aspect of our lives - our sufferings as well as our gifts - can, if surrendered to Christ, lead to blessing for ourselves and others.

### PENSAMIENTO ADMINISTRATIVO

cuando Jesús oyó acerca de la enfermedad de su amigo Lázaro, él respondió: "esta enfermedad no conduce a la muerte; más bien es para la gloria de Dios, para que sea glorificado el hijo de Dios a través de él." Cada aspecto de nuestras vidas - nuestros sufrimientos, así como nuestros dones - puede al entregarnos a Cristo conducir a la bendición para nosotros y para otros.

### OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa."

La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis.

Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti.

### WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings."

The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese.

Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

### Counseling Services

St. Anne's is providing individual, couples and family counseling. The provider is Marie Hall, MSW, who is a licensed clinical social worker. Please contact her at 925-634-6625 ext. 228 or at [marieghallcsw@comcast.net](mailto:marieghallcsw@comcast.net) for more information regarding fees or to schedule an appointment.

### *Nurses Notes:*

#### **How to say goodbye to our loved ones, Part I**

Saying good-bye to a dying relative or friend -- what to talk about, when, and how -- doesn't come naturally to most adults. The irony: All such conversations ask of us, ultimately, is what people appreciate hearing at any time of life: words of candor, reassurance, and love. I offer some suggestions.

#### Regrets and lessons from grieving survivors

It's hard to say goodbye, but the number one regret is putting off meaningful conversations. It's hard to predict when the final hour is approaching, so that they can time their good-byes. This is dangerous because it's nearly impossible to predict the final breath. "Dying people have the uncanny ability to choose the moment of death, and it's not uncommon for them to spare those they love the most or feel protective of by waiting until those people leave the room,"

Dying people want to hear four very specific messages from their loved ones, says palliative-care physician Ira Byock, author of *The Four Things That Matter Most*: "Please forgive me." "I forgive you." "Thank you." "I love you."

**Next Week: Follow the dying persons lead**

### GARDEN TIPS:

Trees are blooming, frogs are croaking!! We will see Winter rear his head again before too long. Most seeds need soil temperatures at 70° to begin germination.

-If you just can't wait to get your hands dirt, then utilize the help of mini green houses to warm the soil up. Plastic sheeting and some sticks or pipe over the area to be planted in, will be warmed from the thermal heat trapped by day.

Here Ye, Here Ye: It's that time of year again. We have a community garden that is looking for great people to work it. Whether a newbie or Green Thumb veteran-we're looking for YOU! Please contact Mike Vail-St. Anne's Garden Ministry Director to get a plot. My contact info is listed on the bulletin cover.

\*\*\*\*A NOTE TO PREVIOUS MEMBERS: Please call me to request your plot if you are returning. Otherwise, ALL plots will be considered available!!

### consejos de jardín

los árboles están floreciendo, las ranas craqueando!! Vamos a ver al invierno sacar la cabeza nuevamente y muy pronto. La mayoría de las semillas necesita temperaturas del suelo en 70° para iniciar la germinación.

Si no puedes esperar a tener tierra en las manos, entonces usa la ayuda de un mini invernadero para calentar el suelo. Láminas de plástico y algunos palos o tubo sobre el área a sembrar, se calentarán por el calor termal del día.

ATENCION!! es esa época del año otra vez. Tenemos un jardín comunitario que busca personas fabulosas para trabajar. Ya sea un novato o veterano! Póngase en contacto con el director del ministerio del jardín Mike Vail-Santa Ana para conseguir una parcela. Mi información de contacto aparece en la portada del boletín.

**UNA NOTA A LOS MIEMBROS ANTERIORES:** Por favor llámeme para solicitar su parcela si piensan cooperar nuevamente. De lo contrario, todas las parcelas se considerará disponibles!!!!

### Kaleidoscope Krockpot Brigade

Perhaps you saw the beautiful article in the February 6 Discovery Bay Press about our Krockpot Brigade. Thanks to Linea Jessup for her attention to this wonderful service that has been going for 11 years. Sharon Bonney, the Hospitality Director, gives us more details about how you can lend a much needed hand.

#### Cooks Needed

The Krockpot Brigade is in desperate need of additional cooks to serve our families going through chemo and radiation treatments. The Brigade is one of the oldest programs of Kaleidoscope and it has served over 5000 meals in the last 11 years. Over the years it has had an average of 30 to 40 cooks on the cooks list with 20 cooks active at any time. Currently we have 20 cooks with less than half of them actively cooking. We have four families receiving meals each week and we are having a hard time filling all the available dates.

If you have been a cook previously, if you thought you might like to cook but just never acted on that thought, if you know of friends or acquaintances who might want to cook, now is the time to step up and volunteer. You will be welcomed to our team with joyous hearts and your heart will swell with the love and appreciation you will receive from the families.

Every month, Margory Soltani, the Krockpot Brigade Coordinator, sends an email listing the families we serve and the dates we need cooks. You request your preferred family and the dates you want to cook. Margory will assign you those dates if you are the first to ask for that date. If not, she will contact you with other available dates still unfilled and you can select from that list. Cooking at least once a month would be very helpful right now, but you decide how often you want to cook and for which family or families.

You may contact Sharon Bonney ([sdbonney3@yahoo.com](mailto:sdbonney3@yahoo.com)) or Margory Soltani ([margorykarla@hotmail.com](mailto:margorykarla@hotmail.com)) to answer any questions or to sign up to cook.  
Bon Appetit!
