Pope Francis proclaimed 2015 the Year of Consecrated Life. Sisters and Brothers in Christ, living consecrated lives, make great contributions to our society. They minister with people poor and rich, near and far, educated and illiterate, sick and healthy, helpless and powerful, believers and non-believers. During this year, we at St. Anne will highlight the ministry of many sisters and brothers. We welcome you to write a short story of a sister or brother who has influenced you. Email srbarbara@stannechurchbyron.com.

El Papa Francisco proclamó el 2015 como el año de la vida consagrada. Los hermanos y hermanas en Cristo que viven vidas consagradas hacen grandes aportaciones a nuestra sociedad. Ministran con gente pobre y rica, cerca y lejos, educados y analfabetos, enfermos y sanos, indefensos y potentes, creyentes y no creyentes. Durante este año, en Santa Ana sacaremos a relucir el Ministerio de muchos hermanos y hermanas. Le invitamos a escribir una breve historia de una hermana o hermano que los ha influenciado. STEWARDSHIP THOUGHT

The disciples in today's Gospel came to know Jesus in the breaking of the bread. When we share what we have with those who are in need, we, too, will discover Jesus in our midst.

PENSAMIENTO ADMINISTRATIVO

Los discípulos en el Evangelio de hoy vinieron a conocer a Jesús en el partir del pan. Cuando compartimos lo que tenemos con esos que están en necesidad, nosotros, también, descubrimos a Jesús en nuestro medio.

OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa."

La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos de las parroquias de la Diócesis.

Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti.

WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings."

The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese.

Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities.

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

Counseling Services

St. Anne's is providing individual, couples and family counseling. The provider is Marie Hall, MSW, who is a licensed clinical social worker. Please contact her at 925-634-6625 ext. 228 or at marieghallcsw@comcast.net for more information regarding fees or to schedule an appointment.

Nurses Notes:

Why Immunize our children?

There are confusing messages in the media. First we are assured that, thanks to vaccines, some diseases are almost gone from the U.S. But we are also warned to immunize our children, ourselves as adults, and the elderly.

It's true, some diseases (like polio and diphtheria) are becoming very rare in the U.S. Of course, they are becoming rare largely because we have been vaccinating against them. But it is still reasonable to ask whether it's really worthwhile to keep vaccinating.

Unless we can eliminate the disease, it is important to keep immunizing. Even if there are only a few cases of disease today, if we take away the protection given by vaccination, more and more people will become infected and will spread disease to others. Soon it will undo the progress we have made over the years.

In 1974, Japan had a successful pertussis (whooping cough) vaccination program, with nearly 80% of Japanese children vaccinated. That year only 393 cases of pertussis were reported in the entire country, and there were no deaths from pertussis. But then rumors began to spread that pertussis vaccination was no longer needed and that the vaccine was not safe. By 1976 only 10% of infants were getting vaccinated. In 1979 Japan suffered a major pertussis epidemic with more than 13,000 cases of whooping cough and 41 deaths. In 1981 the government began vaccinating and the number of pertussis cases dropped again.

So what would happen if we stopped vaccinating? Diseases that are almost unknown would stage a comeback. Before long we would see epidemics of diseases that are nearly under control today. More children would get sick and more would die.

We don't vaccinate just to protect our children. We also vaccinate to protect our grandchildren and their grandchildren. With one disease, smallpox, we eradicated the disease. Our children no longer have to get smallpox shots any more because the disease no longer exists according to the CDC. If you aren't sure about your or your children's immunizations, consult your physician.

Kaleidoscope Krockpot Brigade

Perhaps you saw the beautiful article in the February 6 Discovery Bay Press about our Krockpot Brigade. Thanks to Linea Jessup for her attention to this wonderful service that has been going for 11 years. Sharon Bonney, the Hospitality Director, gives us more details about how you can lend a much needed hand.

Cooks Needed

The Krockpot Brigade is in desperate need of additional cooks to serve our families going through chemo and radiation treatments. The Brigade is one of the oldest programs of Kaleidoscope and it has served over 5000 meals in the last 11 years. Over the years it has had an average of 30 to 40 cooks on the cooks list with 20 cooks active at any time. Currently we have 20 cooks with less than half of them actively cooking. We have four families receiving meals each week and we are having a hard time filling all the available dates.

If you have been a cook previously, if you thought you might like to cook but just never acted on that thought, if you know of friends or acquaintances who might want to cook, now is the time to step up and volunteer. You will be welcomed to our team with joyous hearts and your heart will swell with the love and appreciation you will receive from the families.

Every month, Margory Soltani, the Krockpot Brigade Coordinator, sends an email listing the families we serve and the dates we need cooks. You request your preferred family and the dates you want to cook. Margory will assign you those dates if you are the first to ask for that date. If not, she will contact you with other available dates still unfilled and you can select from that list. Cooking at least once a month would be very helpful right now, but you decide how often you want to cook and for which family or families.

You may contact Sharon Bonney (sdbonney3@yahoo.com) or Margory Soltani (margorykarla@hotmail.com) to answer any questions or to sign up to cook.
Bon Appetit!
