### Nurses Notes

#### Strategies for Good Mental Health Wellness

According to Sydney Youngerman-Cole, RN, BSN, RNC and Katy E. Magee, MA, "Many mental health problems begin when physical stress or emotional stress triggers chemical changes in your brain. The goal of treatment and prevention is to reduce stress and restore normal chemical processes in your brain." Coping skills are methods a person uses to deal with stressful situations. Obtaining and maintaining good coping skills does take practice. However utilizing these skills becomes easier over time. Most importantly, good coping skills make for good mental health wellness.

**Meditation and Relaxation Techniques:** Practicing deep breathing techniques, the relaxation response, or progressive muscle relaxation are ways to help reduce stress and induce relaxation.

**Time to Yourself:** It is important to set aside time everyday to allow yourself to relax and escape the stress of life. Give yourself a private, mini vacation from everything going on around you.

**Physical Activity:** Moving around and getting the heart rate up causes the body to release endorphins (the body's feel good hormones). Exercising provides some stress relief.

**Reading:** Escape from reality completely by reading. Reading can help you to de-stress by taking your mind off everyday life.

**Friendship:** Having friends who are willing to listen and support one through good and bad times is essential.

## SERVE

### STEWARDSHIP THOUGHT

The disciples on the road to Emmaus walked and talked with Jesus all day long, but it was not until they offered Him hospitality and He blessed and broke the bread that they recognized Him. Simple acts of loving kindness still reveal the presence of God in our midst.

### PENSAMIENTO ADMINISTRATIVO

Jesús satisface las necesidades de cada discípulo. A los que temen en el Cenáculo, habla palabras de paz. A Tomás, ofrece la prueba tangible de su resurrección. ¿Qué necesito para ser su discípulo? ¿Qué tengo que compartir para poder satisfacer las necesidades de otra persona?

### Counseling Ministry

Jeff McIntosh, MFT, is a licensed Marriage and Family Therapist who is offering professional therapy for individuals, couples and families at St. Anne on Thursdays. He can be reached at 925-813-0528 or through the church office at 925-634-6625 ext. 228 for more information.

### Bishop's Appeal

### Apelación del Obispo

Agradecemos a todos los que han hecho donaciones a la Apelación del Obispo. Hemos logrado alcanzar el 56.19% de la meta de \$21,304.28 con más de \$11,971.00 en donaciones y regalos. Si usted aún no ha hecho su compromiso, le recomendamos que lo haga tan pronto como le sea posible.

### Hospice Volunteers Needed In Your Area

Patients who are nearing end of life have a variety of needs that can be filled by volunteers. Some patients have little or no support and are in need of companionship. Volunteer visits can include reading, journaling, helping with hobbies and relieving family members and friends. Have you ever considered becoming a hospice volunteer? Volunteers must be at least 18 and have not suffered a close personal loss in the last 12 months. The commitment is usually 1-2 hours per week. Thorough training will be provided to help volunteers feel comfortable with their assignments. There are patients in your town who are awaiting volunteer assistance. If you want to volunteer or get more information, contact Laurie Herbert at [Gentiva Hospice](http://Gentiva Hospice) at 925 737-0203 or [Laurie.Herbert@Gentiva.com](mailto:Laurie.Herbert@Gentiva.com).
