A convenient method is through Electronic Funds Transfer (EFT). This method is an easy way to provide St. Anne with your Sunday Offering. Enroll in a Script Program. This is a no cost way of supporting our ministries and programs, in addition to our weekly offerings.

#### May is Melanoma/Skin Cancer Detection and Prevention Month

##### What is Skin Cancer?

Cancer is a disease in which cells become abnormal and form more cells in an uncontrolled way. With skin cancer, the cancer begins in cells that make up the skin. The skin is the body's largest organ. It protects us against heat, light, injury, and infection. It regulates body temperature and stores water, fat, and Vitamin D. With skin cancer, new cells form when the skin does not need them, and old cells do not die when they should. These extra cells form a mass of tissue called a tumor. Not all tumors are cancer. Tumors that are cancer can invade and damage nearby tissues and organs, and sometimes can spread to other parts of the body. Skin cancers are named for the type of cells where the cancer starts. The three types are:

**Basal Cell Carcinoma**—Usually occurs on parts of the skin that have been in the sun a lot, such as the face.

**Squamous Cell Carcinoma**—Also occurs on parts of the skin that have been in the sun. But also can be found on parts of the skin not exposed to the sun. This type sometimes spreads to other organs inside the body.

**Melanoma**—The most serious type, this skin cancer is likely to spread to other parts of the body if not caught and treated early. It is much less common than the other types.

**NEXT WEEK:** More about skin cancer, prevention and treatment

**PLEASE-** Remember to use the phone in the office or at the AV area in the hall and not a cell phone to call 911. Your cell phone will reach Sacramento CHP and precious time will be wasted.

### Filipino Catholics celebrate Tanglaw 2011 with Flores the Mayo

For Tanglaw, a group of Filipinos priests, deacons, religious, and lay people, has reconvened to hold a second diocesan-wide celebration of Filipino Catholic traditions and culture. The theme for this year's celebration is Flores de Mayo, the offering of our devotion to Mary through the flowers of May. This is a time-honored tradition that bears witness to the Filipinos' love for Mary whom Jesus gave to us as our mother. The festivities include a Procession of young Filipino women representing the many titles of the Blessed Mother, a concelebrated Mass, and Fiesta with Filipino food and entertainment, book sales and exhibit.
