**From Bishop Barber
End of Life Care...Death with Dignity...
Physician-Assisted Suicide...**

the variety of labels reveals that this is not a simple topic with a simple resolution. Presently, a bill is working its way through the California legislative process in the form of SB128, which would permit physician-assisted suicide. Bishop Barber, as all California bishops, strongly opposes this legislation. Our bishop asks that pastors and parishioners become knowledgeable advocates for the teachings of our faith with respect to human dignity and human life: "I urge all Catholics to educate themselves on the issue using the resources available from parishes, the Catholic press, and the diocesan website. The sick, elderly and dying deserve our love and support until the moment God calls them to Himself." Read Bishop's full statement and access links to prayers, church teaching, frequently-asked questions, personal testimonies of patients and doctors, and much more at oakdiocese.org/SB128. For further information or assistance, please contact John Watkins in the Office of Life & Justice, jwatkins@oakdiocese.org, 510-267-8379.

Covenant Corner

The **Covenant Corner** is an opportunity for us to recognize those who use their gifts in service for others. We want to give regular thanks to those who do so much for all of us. So we invite you when you see someone doing something worth noting to let us know, by mail or email office@stannechurchbyron.com. Please keep the note 4-5 short sentences (maximum). Then we can get it in the bulletin.

Pope Francis proclaimed 2015 the Year of Consecrated Life. Sisters and Brothers in Christ, living consecrated lives, make great contributions to our society. They minister with people poor and rich, near and far, educated and illiterate, sick and healthy, helpless and powerful, believers and non-believers. During this year, we at St. Anne will highlight the ministry of many sisters and brothers. We welcome you to write a short story of a sister or brother who has influenced you. Email [srbarbara@stannechurchbyron.com](mailto:srbarbara@stannechurchbyron.com).

El Papa Francisco proclamó el 2015 como el año de la vida consagrada. Los hermanos y hermanas en Cristo que viven vidas consagradas hacen grandes aportaciones a nuestra sociedad. Ministran con gente pobre y rica, cerca y lejos, educados y analfabetos, enfermos y sanos, indefensos y potentes, creyentes y no creyentes. Durante este año, en Santa Ana sacaremos a relucir el Ministerio de muchos hermanos y hermanas. Le invitamos a escribir una breve historia de una hermana o hermano que los ha influenciado. Correo electrónico [srbarbara@stannechurchbyron.com](mailto:srbarbara@stannechurchbyron.com).

## SERVE

### STEWARDSHIP THOUGHT

On this day, it is fitting that the Scripture passages be linked by the theme of the Lord's Ascension, and His charge to the disciples to *go into the whole world and proclaim the Good News to all creation*. We, as Christian stewards, put our hope in the Lord, knowing He is always with us as we answer His call to discipleship. It is through His gift of the Holy Spirit, that we use our time, talent, and treasure to boldly proclaim His Gospel to the world, witnessed by how we live our lives.

### PENSAMIENTO ADMINISTRATIVO

En este día, es conveniente que los pasajes de las escrituras sean unidas con el tema de la Ascensión del Señor y el cargo a sus discípulos de *ir por todo el mundo y proclamar la buena nueva a toda la creación*. Nosotros, como mayordomos Cristianos, ponemos nuestra esperanza en el Señor, sabiendo que él está siempre con nosotros al responder a su llamado al discipulado. Es a través de su don del Espíritu Santo, que usamos nuestro tiempo, talento y tesoro para proclamar audazmente Su Evangelio al mundo, atestiguado por cómo vivimos nuestras vidas.

### OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa."

La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis.

Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti.

### WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings."

The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese.

Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

### *Nurses Notes:*

### May is Hepatitis Awareness Month

There are different forms of hepatitis and different modes of transmission.

Hepatitis A (formerly known as infectious hepatitis) is an acute infectious disease of the liver caused by the hepatitis A virus (HAV). Many cases have no symptoms, especially in the young. The time between infection and symptoms is between two and six weeks, typically lasting eight weeks and may include: nausea, vomiting, diarrhea, yellow skin, fever, and abdominal pain.

It is usually spread by eating or drinking food or water contaminated with infected feces. Shellfish which have not been sufficiently cooked is a relatively common source. It may also be spread through close contact with an infected person. While children often do not have symptoms when infected they are still able to infect others. After a single infection a person is immune for the rest of their life. Diagnosis requires blood testing as the symptoms are similar to those of a number of other diseases.

The hepatitis A vaccine is effective for prevention. Some countries recommend it routinely for children and those at higher risk. It appears to be effective for life. Other preventative measures include hand washing and properly cooking food. There is no specific treatment, with rest and medications for nausea or diarrhea recommended on an as needed basis. Infections usually resolve completely and without ongoing liver disease.

Hepatitis A can be prevented by vaccination, good hygiene and sanitation.

**Kaleidoscope Krockpot Brigade**

Perhaps you saw the beautiful article in the February 6 Discovery Bay Press about our Krockpot Brigade. Thanks to Linea Jessup for her attention to this wonderful service that has been going for 11 years. Sharon Bonney, the Hospitality Director, gives us more details about how you can lend a much needed hand.

**Cooks Needed**

The Krockpot Brigade is in desperate need of additional cooks to serve our families going through chemo and radiation treatments. The Brigade is one of the oldest programs of Kaleidoscope and it has served over 5000 meals in the last 11 years. Over the years it has had an average of 30 to 40 cooks on the cooks list with 20 cooks active at any time. Currently we have 20 cooks with less than half of them actively cooking. We have four families receiving meals each week and we are having a hard time filling all the available dates.

If you have been a cook previously, if you thought you might like to cook but just never acted on that thought, if you know of friends or acquaintances who might want to cook, now is the time to step up and volunteer. You will be welcomed to our team with joyous hearts and your heart will swell with the love and appreciation you will receive from the families.

Every month, Margory Soltani, the Krockpot Brigade Coordinator, sends an email listing the families we serve and the dates we need cooks. You request your preferred family and the dates you want to cook. Margory will assign you those dates if you are the first to ask for that date. If not, she will contact you with other available dates still unfilled and you can select from that list. Cooking at least once a month would be very helpful right now, but you decide how often you want to cook and for which family or families.

You may contact Sharon Bonney ([sdbonney3@yahoo.com](mailto:sdbonney3@yahoo.com)) or Margory Soltani ([margorykarla@hotmail.com](mailto:margorykarla@hotmail.com)) to answer any questions or to sign up to cook.  
Bon Appetit!
