STEWARDSHIP THOUGHT

Today’s Psalm reminds us that we have been crowned with glory and honor and given rule over the works of God’s hands. But we must be good stewards, for the Lord will surely hold us accountable for the use of those gifts.

PRAY FOR THE REPOSED SOULS OF THE FAITHFUL DEPARTED: Virginia Burke (Mike Burke’s Mother)

**LAST SUNDAY’S OFFERING/
OFRENDAS DE LA SEMANA PASADA**

"Weekly church collection results will no longer be posted in the bulletin. Instead, summary results for the previous month will be reported to the parish the first Sunday of each month."

St. Anne is a "Fair Share Parish." As a Fair Share Parish we ask those who are able to give a weekly fair share offering of **\$48.00**. We also ask those who are able to prayerfully consider giving extra share for those who are unable to give. For your convenience, Electronic Funds Transfer (EFT) forms are available. This is an easy way to give your fair share each week. Forms are available in the foyer and office.

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

Catholic Action Principles *Face Fear*

Knowledge, practice, courage and faith are your weapons against fear.

One person can step out of an airplane door at 2,000 feet without hesitation. Another can stand before an audience of 2,000 and give a speech without breaking into a sweat. Fears can be rational or irrational, but they are always personal and real. Everyone fears something.

To diminish a fear, you must first face it. The one hundredth skydive or speech won't be as traumatic as the first. The best way to deal with first fears is through a combination of logic and bravery. Logically, most people who jump from planes or give speeches don't die. They succeed through preparation. If your equipment is right and your training is complete, you are ready to jump. If your speech is carefully crafted and practiced, you are ready to speak. Why do many people pray in fearful times? Because it works.

Associate with confident people. You have seen many who have already done what you fear doing. Now, do what they have done. Courage grows with action. Fear is learned and must be unlearned. After facing that fear, you will feel exhilarated. Without fear, there can be no courage. Fear provides the opportunity to be brave.

-Bill FitzPatrick,

Adopt a Priest with Prayer

This ministry, begun at St. Mary's parish in 1996, continues to pray for the priests of the Oakland Diocese. Priests have a divine Mission but they are also very human and daily face the problems and struggles common to all of us. They have a great need of our support in prayer, love and concern. If you would be willing to pray each day during the current year for an individual priest of the Oakland Diocese, please send your name and address to Alice Osterman, 10 Pueblo Ct., Alamo, CA 94507 or phone (925)935-0461. Alice will mail the name of a priest for you. **No meetings, no dues, just prayer!**

Nurses Notes

What is Asthma

Why do I want to discuss the topic of Asthma? Well, May is Asthma Awareness Month! And I am also seeing a lot of Asthma patients in E.R. lately. Asthma is a breathing disorder that affects the small airways found inside the lungs. During times of an attack these airways become narrower causing the sufferer to have difficulty in breathing. The extent of how much the airways narrow will determine the length and severity of an attack. Asthma can begin at almost any age but is most common during childhood. It has been reported that 1 in 10 children currently suffer with asthma (including my daughter during allergy season), with around half that number of affected adults. Asthma can be hereditary but it is not uncommon for sufferers of asthma to have no close family that suffer.

The most common symptoms include coughing and wheezing. Feeling breathless and enduring a tight chest are also typical signs. Symptoms usually vary greatly from person to person and also on different occasions with the same person. Symptoms may last just a few short hours, but others have reported longer lasting affects which go on for days.

Asthma is usually untreatable but sufferers are given inhalers to use when they encounter times when they find it difficult to breathe. If you or a family member suspects that you may have asthma or have experienced an attack please make an appointment to see you doctor.

Next Week: Part 2 – Types of Asthma

PLEASE- Remember to use the phone in the office or at the AV area in the hall and not a cell phone to call 911. Your cell phone will reach Sacramento CHP and precious time will be wasted.

Your Faith Community Nurses

Need Your Unwanted Cell Phones

Anna Piazza & the Vacation Bible School are collecting your unwanted and outdated cell phones as a fund raiser. All of the proceeds will be used to help those injured in Haiti. They will be buying wheelchairs through the Wheel Chair Foundation. A box is being left in the foyer to collect the cell phones. Help them out in their first fund raiser. They are very impassioned about helping those injured in the earthquake. They need just the cell phone (make sure you remove the sim card), no accessories or cords.

Covenant Corner

The **Covenant Corner** is an opportunity for us to recognize those who use their gifts in service for others. We want to give regular thanks to those who do so much for all of us. So we invite you when you see someone doing something worth noting to let us know, by mail or email office@stannechurchbyron.com. Please keep the note 4-5 short sentences (maximum). Then we can get it in the bulletin.

THANK YOU

A GREAT 50TH JUBILEE!

Fr. Ron, and St. Anne parishioners, you are all embraced in a huge heartfelt hug of THANKS. Thank you for a warm and beautiful celebration of prayer, food, family and friends. I am glad my 50th Jubilee came while here at St. Anne parish. It was a perfect celebration.

The bilingual Liturgy was beautiful, prayerful, and so inclusive. The singing flowed from everyone and the musicians were outstanding. A special thanks to the children, too.

The decorations in the foyer and in the large Hall were elegant. The yellow and white roses along with the gold-white balloon arches turned the CLC into quite a festive place. My family was as impressed as I was – everything was so very special!

The parish potluck certainly gets a grand prize! Thank you for your delicious specialties. I wish I could thank each one of you individually.

Thank you for your individual cards and remembrances. Your thoughtfulness is deeply appreciated. St. Anne parish does know how to celebrate life! May God bless you.

Gratefully,

Sister Barbara, SNJM

Also, after the masses Vincentians will be handing out SHARES cards for your use at any Food Maxx, Lucky and Save Mart supermarket. Each swipe of the SHARES card earns 3% of qualified purchases for St. Anne SVDP. There are no signups or security issues because there is no handling of scrip or money exchanged. The cards are imprinted in the SVDP name only. So please take any amount of cards for your family and friends to use for the benefit of SVDP. "
