From Bishop Barber

**End of Life Care...Death with Dignity...
Physician-Assisted Suicide...**

the variety of labels reveals that this is not a simple topic with a simple resolution. Presently, a bill is working its way through the California legislative process in the form of SB128, which would permit physician-assisted suicide. Bishop Barber, as all California bishops, strongly opposes this legislation. Our bishop asks that pastors and parishioners become knowledgeable advocates for the teachings of our faith with respect to human dignity and human life: "I urge all Catholics to educate themselves on the issue using the resources available from parishes, the Catholic press, and the diocesan website. The sick, elderly and dying deserve our love and support until the moment God calls them to Himself." Read Bishop's full statement and access links to prayers, church teaching, frequently-asked questions, personal testimonies of patients and doctors, and much more at oakdiocese.org/SB128. For further information or assistance, please contact John Watkins in the Office of Life & Justice, jwatkins@oakdiocese.org, 510-267-8379.

SERVE

STEWARDSHIP THOUGHT

The bishops' stewardship pastoral asks, "And what do Christians bring to the Eucharistic celebration and join there with Jesus' offering?" The answer: "Their lives as Christian disciples; their personal vocations and the stewardship they have exercised regarding them; their individual contributions to the great work of restoring all things in Christ."

PENSAMIENTO ADMINISTRATIVO

La pastoral de Mayordomía de los Obispos pregunta, "¿Y que es lo que aportan los Cristianos a la celebración Eucarística y se unen ahí con el ofrecimiento de Jesús?" La respuesta: "Su vida como discípulos Cristianos; sus vocaciones personales y la mayordomía que han ejercido sobre ellos; su contribución individual a la gran obra de restauración de todas las cosas en Cristo".

OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlos con un monto presupuestado, basado en "Ofrendas parte justa."

La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis.

Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti.

WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings."

The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese.

Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

Nurses Notes:

Medication Advice and tips and side effects Risks and Benefits

All medicines have risks as well as benefits. The benefits of medicines are that they can improve your health and well-being by doing what they were designed for, like treating a disease, curing infection, or relieving pain. The risks are the chances that something unwanted or unexpected will happen when you use medicines. Unwanted or unexpected symptoms or feelings that occur when you take medicine are called side effects.

Side effects can be relatively minor, such as a headache or a dry mouth. They can also be life-threatening, such as severe bleeding or irreversible damage to the liver or kidneys.

Tips to avoid medication side effects

- **Always inform your doctor or pharmacist** about all medicines you are already taking, including herbal products and over-the-counter medications.
- **Tell your doctor, nurse, or pharmacist** about past problems you have had with medicines, such as rashes, indigestion, dizziness, or loss of appetite .
- **Ask whether the drug may interact** with any foods or other over-the-counter drugs or supplements you are taking.
- **Read the prescription label** on the container or the drug information sheet that comes with your medication carefully and follow its directions. Make sure you understand how often, when and how much medicine to take each day.
- **If you experience side effects**, write them down so you can report them to your doctor accurately.
- **Call your doctor right away** if you have any problems with your medicines or if you are worried that the medicine might be doing more harm than good. He or she may be able to change your medicine to another one that will work just as well.
- **Don't mix alcohol and medicine** unless your doctor or pharmacist says it's okay. Some medicines may not work well or may make you sick if taken with alcohol. From the NIH

Kaleidoscope

A Secretary is greatly needed. Please contact Darla Cavallaro with ideas or questions lion.darla@hotmail.com or phone [510-604-1689](tel:510-604-1689) (voice or text).

Cooks Needed

The Krockpot Brigade is in desperate need of additional cooks to serve our families going through chemo and radiation treatments. The Brigade is one of the oldest programs of Kaleidoscope and it has served over 5000 meals in the last 11 years. Over the years it has had an average of 30 to 40 cooks on the cooks list with 20 cooks active at any time. Currently we have 20 cooks with less than half of them actively cooking. We have four families receiving meals each week and we are having a hard time filling all the available dates.

If you have been a cook previously, if you thought you might like to cook but just never acted on that thought, if you know of friends or acquaintances who might want to cook, now is the time to step up and volunteer. You will be welcomed to our team with joyous hearts and your heart will swell with the love and appreciation you will receive from the families.

Every month, Margory Soltani, the Krockpot Brigade Coordinator, sends an email listing the families we serve and the dates we need cooks. You request your preferred family and the dates you want to cook. Margory will assign you those dates if you are the first to ask for that date. If not, she will contact you with other available dates still unfilled and you can select from that list. Cooking at least once a month would be very helpful right now, but you decide how often you want to cook and for which family or families.

You may contact Sharon Bonney (sdbonney3@yahoo.com) or Margory Soltani (margorykarla@hotmail.com) to answer any questions or to sign up to cook.
Bon Appetit!
