### STEWARDSHIP THOUGHT

Adam & Eve were banished from the Garden because of their disobedience. But Jesus says in today's Gospel that when we are obedient to God's will - when we use our gifts to serve one another - we become part of His family. "Whoever does the will of God is brother and sister and mother to me."

### PENSAMIENTO ADMINISTRATIVO

Adán y Eva fueron desterrados del jardín por su desobediencia. Pero Jesús dice en el Evangelio de hoy que cuando somos obedientes a la voluntad de Dios, cuando usamos nuestros dones para servirnos unos a otros nos convertimos en parte de su familia. "Quienquiera que haga la voluntad de Dios es hermano, hermana y madre para mí."

### *Nurses Notes*

#### **Medication Advice and tips and side effects Risks and Benefits**

All medicines have risks as well as benefits. The benefits of medicines are that they can improve your health and wellbeing by doing what they were designed for, like treating a disease, curing infection, or relieving pain. The risks are the chances that something unwanted or unexpected will happen when you use medicines. Unwanted or unexpected symptoms or feelings that occur when you take medicine are called side effects. Side effects can be relatively minor, such as a headache or a dry mouth. They can also be life-threatening, such as severe bleeding or irreversible damage to the liver or kidneys.

#### **Tips to avoid medication side effects**

- **Always inform your doctor or pharmacist** about all medicines you are already taking, including herbal products and over-the-counter medications.
- **Tell your doctor, nurse, or pharmacist** about past problems you have had with medicines, such as rashes, indigestion, dizziness, or loss of appetite.
- **Ask whether the drug may interact** with any foods or other over-the-counter drugs or supplements you are taking.
- **Read the prescription label** on the container or the drug information sheet that comes with your medication carefully and follow its directions. Make sure you understand how often, when and how much medicine to take each day.
- **If you experience side effects**, write them down so you can report them to your doctor accurately.
- **Call your doctor right away** if you have any problems with your medicines or if you are worried that the medicine might be doing more harm than good. He or she may be able to change your medicine to another one that will work just as well.
- **Don't mix alcohol and medicine** unless your doctor or pharmacist says it's okay. Some medicines may not work well or may make you sick if taken with alcohol.
