## SERVE

### STEWARDSHIP THOUGHT

Like the sower in today's Gospel, I scatter as seed my gifts of time, talent, and resources; and I trust that, by God's grace and in God's time, these small gifts of myself may grow and flourish and help to bring about the Kingdom of God.

### PENSAMIENTO ADMINISTRATIVO

como el sembrador en el Evangelio de hoy, yo esparzo como semilla mis dones de tiempo, talento y recursos; y confío en, que por la gracia de Dios y en el tiempo de Dios, estos pequeños regalos de mí mismo puedan crecer y florecer y ayudar a traer a todos el Reino de Dios.

### OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa."

La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis.

Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti.

### WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings."

The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese.

Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

#### Managing Your Medicines

##### Take Charge of Your Medicines

Keeping track of your medicines is very important. Making sure that they are stored properly, that they have not expired when you take them, and that prescriptions are refilled requires time and attention.

##### Simple Strategies

**Keep a checklist** of all the prescription and over-the-counter medications you take. For each medicine, mark the amount you take, the time of day you take it, and whether it should be taken with food.

**Review your medicine record** at every visit to the doctor and whenever your doctor prescribes new medicine. Your doctor may have new information about your medicines that might be important to you.

**Ask your pharmacist to provide your medicine in large, easy-to open containers with large-print labels.** Keep medicines in their original containers, and never put more than one kind of medicine in the same container. Consider using multi-day dispensers that organize your medicines by the day and time that you should take them.

**To determine how a medication should be stored,** ask your doctor or pharmacist and/or read the label.

**Don't stop taking a prescription drug unless your doctor says it's okay** -- even if you are feeling better.

**Get prescriptions refilled early enough so you won't run out of medicines.**

**Keep all medicines out of the sight and reach of children and away from pets.** I

##### Your Pharmacist Is a Resource

Finally, the pharmacist is a good source of information about your medicines. In addition to answering questions and helping you select non-prescription medications, your pharmacist keeps records of all the prescriptions you get filled at that store.

##### In Case of Accidental Poisoning

Be prepared in case of accidental poisoning involving medications or other substances. Call Poison Help at [1-800-222-1222](tel:1-800-222-1222) to speak with a poison expert at the poison center serving your area. The service is free and available 24 hours a day, 7 days a week, and calls are always free and confidential. Interpreter services are also available in 160 languages. Keep the number programmed in your home phone and mobile device.

*Faith Community Nursing*  
*Serving the community is our passion.*

#### IN CASE OF AN EMERGENCY

**PLEASE** use the phone at the AV booth or in the office to call 911. Do not use your cell phone it will reach Sacramento CHP and precious time will be lost.
