SERVE

STEWARDSHIP THOUGHT

"Who do you say that I am?" Jesus asks Peter in today's Gospel. Does my use of the gifts and talents entrusted to me accurately reflect my answer to that same question? How willing am I to deny myself, take up my cross, and follow in His steps?

PENSAMIENTO ADMINISTRATIVO

"¿quién dices que soy?" Jesús le pregunta a Pedro en el Evangelio de hoy. ¿Acaso el uso de los talentos confiadas a mí reflejan mi respuesta a esa misma pregunta? ¿Cómo estoy dispuesto yo a negarme a mí mismo, tomar mi cruz y seguir sus pasos?

A Prayer for Fathers

God our Father, We give you thanks and praise for fathers young and old.

We pray for young fathers, newly embracing their vocation; May they find courage and perseverance to balance work, family and faith in joy and sacrifice.

We pray for Fathers around the world whose children are lost or suffering; May they know that the God of compassion walks with them in their sorrow.

We pray for men who are not fathers but still mentor and guide us with fatherly love and advice.

We remember fathers, grandfathers, and great grandfathers who are no longer with us but who live forever in our memory and nourish us with their love. Amen

Jubilee of Mercy

The Church feels the urgent need to proclaim God's mercy. Her life is authentic and credible only when she becomes a convincing herald of mercy

Jubileo de la Misericordia

La Iglesia siente la urgente necesidad de proclamar la misericordia de Dios. Su vida es auténtica y creíble solamente cuando ella se convierte en un convincente heraldo de la misericordia.

Los videos en la serie de proyecto de misericordia están disponibles en el sitio web: <http://jubileeofmercy-eb.org/> todos los videos se centran en la obra Corporal de misericordia, alimentar al hambriento y el trabajo espiritual de la misericordia – Tómese su tiempo para visitar el sitio web para ver los videos y reflexionar sobre estas dos obras de misericordia haciendo clic en los enlaces debajo del video.

Nurses Notes

Are you really healthier than a 100-year-old?

Looking at the outcome of the seventh-annual "United HealthCare 100@100 Survey" report, may cause baby boomers to ask themselves a rather curious question: "Am I healthier than a Centenarian?" This survey took a look at the habits, preferences, and lifestyles of 100 centenarians (people age 100 and older) and measured them against 300 baby boomers (aged 50-55) to pinpoint the differences and similarities between each group. Here is what they found by asking a few questions:

3. How often do you laugh?

If your answer is daily, then keep up the good work. The survey indicated that, while boomers do laugh more, most of the members of the 100-year-old club also reported appreciating the lighter side of life. 87 percent of boomers said they chuckled at least once a day versus 80 percent of centenarians.

4. Do you exercise regularly?

Though the majority of centenarians say that they exercise almost daily, boomers do have them beat, but only by a slim margin (59 percent of boomers versus 51 percent of centenarians). The Centers for Disease Control (CDC) recommends that adults try to get a minimum of about 150 minutes of moderate-intensity aerobic exercise each week. This amount is thought to be sufficient to reap the numerous benefits attributed to regular physical activity, including: reduced cancer and type 2 diabetes risk, better cardiovascular health, stronger muscles and bones, and a longer life-span.
