STEWARDSHIP THOUGHT

The Good Samaritan was also a good steward, giving his time and his treasure to meet his neighbor’s need. At the end of this familiar story, Jesus urges his hearers – and us – to go and do the same!

**LAST SUNDAY’S OFFERING/
 OFRENDAS DE LA SEMANA PASADA**

"Weekly church collection results will no longer be posted in the bulletin. Instead, summary results for the previous month will be reported to the parish the first Sunday of each month."

St. Anne is a “Fair Share Parish.” As a Fair Share Parish we ask those who are able to give a weekly fair share offering of **\$48.00**. We also ask those who are able to prayerfully consider giving extra share for those who are unable to give. For your convenience, Electronic Funds Transfer (EFT) forms are available. This is an easy way to give your fair share each week. Forms are available in the foyer and office.

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

Catholic Action Principles

Be the Good Warrior

The warrior is tough in loyalty, intensity, determination, bearing, initiative, endurance, courage and strength of will. The warrior is soft in calmness, self-confidence and compassion. The warrior is frequently called upon to step forward when most gladly step back. Warriors exist on the battlefield and in daily life.

People may react to you rudely, selfishly and with malice. Be courteous anyway.

Those you help may whine and offer no thanks. Help them anyway.

Your honest words may be challenged and ridiculed. Speak anyway.

Success may involve many mistakes and disappointments. Try anyway.

Your donations may seem too small to matter. Give anyway.

A warrior can be a good Catholic.

St. Anne Community Cookbook

Please share your favorite recipes for our St. Anne Community Bilingual Cook Book that the choir is sponsoring. The Choir would like to offer the opportunity for all our parishioners to share recipes from their culture. It will be fun!!

Please include your name, phone number, and email address on the recipe and either email them to office@stannechurchbyron.com, drop them in the collection plate or bring by the office. Many thanks for your help!

Catholic University 2nd Collection

Although approximately half of the world's Catholic population

lives in Latin America, the Church in the region is losing members at an alarming rate. They are drawn away from the church by other faiths and are often obliged to migrate in pursuit of a better life. These tensions can contribute to the destabilization of families and faith communities. You can keep faith through your support of next week's Collection. Your generosity will support pastoral work that engages parishioners and fosters the faith. The Church in Latin America needs your help.

Nurses Notes

Summer is here and things are "Heating Up"

With the summer heat comes danger of

1. Heat exhaustion,
2. Heat stroke (life-threatening) and
3. Dehydration

Signals of heat emergencies:

Heat exhaustion: Cool, moist, pale, or flushed skin. Heavy sweating. Headache. Nausea or vomiting, Dizziness, Exhaustion.

Treatment: Get person out of the heat. Remove or loosen clothing. Apply cool, wet cloths. If conscious, give cool water. Have them drink slowly.

Heat Stroke: Hot, red skin. Changes in consciousness.

Rapid, weak pulse. Rapid, shallow breathing

Treatment: Call 911. Move person to cooler place. Wrap body with wet cloths or towels. Fan the body. Watch for breathing problems and assist if needed with rescue breathing. Offer cool water if conscious. Keep person lying down until paramedics arrive.

Some things you can do to prevent these conditions:

1. Slow down. Avoid strenuous activity. If you must do strenuous activity, plan it for the coolest part of the day-early morning.
2. Stay indoors as much as possible. If air conditioning is not available, stay on the lowest floor, out of the sunshine.
3. Wear lightweight, light colored clothing
4. Drink plenty of water regularly and often even if you are not thirsty.
5. Water is the safest liquid to drink. Avoid alcohol or caffeine. Beer can actually dehydrate the body
6. Eat small meals and eat more often.
7. Avoid using salt tablets unless directed by a physician

PLEASE- Remember to use the phone in the office or at the AV area in the hall and not a cell phone to call 911. Your cell phone will reach Sacramento CHP and precious time will be wasted.
