Our Catholic Life—The Human Journey of Faith

We invite all adults to come and join us as we explore the foundations of our Catholic faith. We will use Scripture and the Catechism of the Catholic Church as we will pray, study, share, and reflect on our vocations as Christians. Our program will be facilitated by Fr. Ron. The material was developed by Bill Huebsch. He is a leader in adult faith formation and our material is presented in accessible language for all. We will begin by considering the human heart. It is in our hearts that we find the longing that leads to faith. And we find that being with God is the only way to happiness. We will meet twice monthly between August and November at 7:00 PM in Room 1.

THE RESPONSE TO REVELATION IS FAITH—August 30

MADE IN GOD’S IMAGE—September 13

THE HUMAN INCLINATION TO SIN—September 27

BIKE SAFETY

Riding bikes is a great way to get active. Riding a bike can help you:

- Get in shape
- Lose weight
- Lower your risk of health conditions like heart disease
- Save money on gas
- Riding bikes is also a great way to spend time with your family and get active together. If you have kids, teach them to bike safely right from the start.

Follow these safety tips every time you ride.

- Ride a bike that's the right size for you.
- Check the brakes before you ride.
- Always wear a bike helmet that fits correctly.
- Wear bright colors and reflective tape.
- Avoid wearing things that can get caught in your bike chain, like loose pants.
- Ride in the same direction as cars and follow the "rules of the road."
- If possible, ride on a bike path that's separate from cars.
- A bike crash could send you to the emergency room. But the good news is that many bike injuries can be prevented.

Faith Community Nursing
Serving the community is our passion.
