### STEWARDSHIP THOUGHT

Today's reading from Isaiah describes the Israelites bringing their offering to the Lord "in clean vessels." The gift of myself – my patient endurance and fidelity to the will of God – is as important as the monetary gift I offer.

### PENSAMIENTO ADMINISTRATIVO

La lectura de hoy de Isaías describe a los israelitas trayendo su ofrenda al Señor "en vasos limpios." El regalo de mí mismo, mi resistencia paciente y fidelidad a la voluntad de Dios – es tan importante como el regalo monetario que ofrezco.

### Jubilee of Mercy

Like the corporal and spiritual works of mercy, the Beatitudes help us form our moral lives and illustrate that the foundation of these actions is the love of God. They also give us hope—hope in the love and mercy of God that is present on earth and that we will experience in the fullness of heaven. Even though it may be challenging to live out these values, it is important to remember that we find solace in God and will be blessed for our efforts on behalf of the Kingdom of God.

The videos in the Mercy Project series are available on the Jubilee of Mercy website: <http://jubileeofmercy-eb.org/> the videos focus on the Corporal Works of Mercy and the Spiritual Works of Mercy. Take some time to visit the website to view the videos and reflect on these two Works of Mercy by clicking on the links below the video.

### Jubileo de la Misericordia

Al igual que las obras de misericordia corporales y espirituales, las Bienaventuranzas nos ayudan a formar nuestras vidas morales y a ilustrar que el fundamento de estas acciones es el amor de Dios. También nos dan esperanza: esperanza en el amor y misericordia de Dios que está presente en la tierra y que experimentaremos en la plenitud de los cielos. Aunque puede constituir un desafío vivir estos valores, es importante recordar que encontramos consuelo en Dios y seremos bendecidos por nuestros esfuerzos en favor del Reino de Dios.

Los videos en la serie de proyecto de misericordia están disponibles en el sitio web: <http://jubileeofmercy-eb.org/> todos los videos se centran en la obra Corporal de misericordia, alimentar al hambriento y el trabajo espiritual de la misericordia – Tómese su tiempo para visitar el sitio web para ver los videos y reflexionar sobre estas dos obras de misericordia haciendo clic en los enlaces debajo del video.

## *Nurses Notes*

### *When should a mother avoid breastfeeding?*

Health professionals agree that human milk provides the most complete form of nutrition for infants, including premature and sick newborns. However, there are rare exceptions when human milk is not recommended. Under certain circumstances, a physician will need to make a case-by-case assessment to determine whether a woman's environmental exposure or her own medical condition warrants her to interrupt or stop breastfeeding.

**Next week: When Breastfeeding is NOT advisable**

### A Statement from the Sisters of the Holy Names of Jesus and Mary, U.S.-Ontario Province, following recent violence in Minneapolis, Baton Rouge and Dallas

As Sisters and Associates conscious of our call to resist racism, advocate for human rights and create welcoming communities in partnership with others, we mourn the loss of life and grieve with the families of all who have been victims of violence.

We affirm the call of the Adrian Dominican Sisters to all of us to "engage in personal and national soul-searching on the evils of our socialization in racist systems and the steps we must take to detoxify our hearts and the heart of our nation."

We pledge ourselves to expand our partnership with others to pray, dialogue and act to address issues of racism and violence.

*Love recognizes no barriers.  
It jumps hurdles,  
leaps fences,  
penetrates walls to arrive  
at its destination full of hope.*
