## SERVE

### STEWARDSHIP THOUGHT

In today's first reading, Joshua challenges the people to decide whom they will serve. Recalling God's faithfulness to them and to their ancestors, the people declare, "We also will serve the Lord, for he is our God," May we, too, be mindful of God's gifts to us and renew our commitment to serve Him with grateful hearts.

### PENSAMIENTO ADMINISTRATIVO

En la primera lectura de hoy, Josué desafía a la gente a decidir a quien servirán. Recordando la fidelidad de Dios hacia ellos y hacia sus antepasados, la gente declara, "También serviremos al Señor, porque él es nuestro Dios," Que nosotros también, seamos conscientes de los dones de Dios para nosotros y renovemos nuestro compromiso para servirle a él con corazones agradecidos.

### OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa."

La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis.

Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti.

### WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings."

The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese.

Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

### Counseling Ministry

I have been serving the parishioners of St. Anne for the last three years by providing counseling services. As of July 1st, St. Anne Counseling Services will be temporarily suspended. We hope to have a therapist to join this ministry in the near future. If you need counseling services, there are several in the Brentwood area. One is Sylvia Ching, LMFT. Her number is 925-301-5369. The other is River Counseling Center. Their number is 925-757-4837. It has been my pleasure to serve you.  
God Bless, Marie Hall, LCSW

### *Nurses Notes:*

#### **American Cancer Society Guidelines on Nutrition and Physical Activity for Cancer Prevention**

For Most American who do not use tobacco, the most important cancer risk factors that can be changed are body weight, diet and physical activity. One-third of all cancer deaths in the United States each year are linked to diet and physical activity, including being overweight or obese, while another third is caused by tobacco products.

Although our genes influence our risk of cancer, most of the difference in cancer risk between people is due to factors that are not inherited. Avoiding tobacco products, staying at a healthy weight, staying active throughout life, and eating a healthy diet may greatly reduce a person's lifetime risk of developing or dying from cancer. These same behaviors are also linked with a lower risk of developing hear diseases and diabetes.

Although these healthy choices can be made by each of us, they may be helped or slowed by the social, physical, economic, and regulatory environment in which we live. Community efforts are needed to create an environment that makes it easier for us to make healthy choices when it comes to diet and physical activity.
