SERVE

STEWARDSHIP THOUGHT

The good steward must not show favoritism. The rich may have many material gifts to share, but St. James reminds us in the second reading that God has chosen the world's poor to be rich in faith and inheritors of God's kingdom.

PENSAMIENTO ADMINISTRATIVO

El buen Mayordomo no debe de mostrar favoritismo. Los ricos quizá tienen muchos regalos materiales que compartir, pero San Jaime nos recuerda en la segunda lectura que Dios ha escogido a los pobres del mundo para ser ricos en fe y herederos del reino de Dios.

OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa." La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis. Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti. Hacer una inversión en el reino de Dios hoy!

WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings." The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese. Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities. Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

Nurses Notes: September is childhood Obesity Awareness Month

One in 3 children in the United States is overweight or obese. Childhood obesity puts kids at risk for health problems that were once seen only in adults, like type 2 diabetes, high blood pressure and heart disease.

The good news? Childhood obesity can be prevented. Communities, health professionals and families can work together to create opportunities for kids to eat healthier and get more active.

Make a difference for kids: Spread the word about strategies for preventing childhood obesity and encourage communities, organizations, families, and individuals to get involved.

We can all use this month to raise awareness about the obesity epidemic and we can take steps toward a solution.

Here are just a few ideas:

- ◆ Make small changes, like keeping fresh fruit within reach or going on a family walk after dinner.
- ◆ Motivate teachers and administrators to make schools healthier. Help them provide healthy food options and daily physical activities for students.
- ◆ Ask doctors and nurses to be leaders in their communities by supporting programs to prevent childhood obesity.

Faith Community Nursing
Serving the community is our passion.
