SERVE

STEWARDSHIP THOUGHT

In the second reading today, St. James has harsh words for those who do not put their faith into action. May we be such good stewards of God's gifts to us that we can never be accused of having "faith that does nothing in practice."

PENSAMIENTO ADMINISTRATIVO

En la segunda lectura de hoy, San Jaime, tiene palabras fuertes para aquellos que no ponen su Fe en acción. Que seamos tan buenos Mayordomos de los dones que Dios nos da para que nunca podamos ser acusados de tener "fe que no hace nada en la practica"

OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa." La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis. Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti. Hacer una inversión en el reino de Dios hoy!

WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings." The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese. Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities. Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

Nurses Notes:

Fruits and Veggies - More Matters

Eating fruits and vegetables has many health benefits. People who eat a healthy, balanced diet with plenty of fruits and vegetables can help lower their risk for heart disease, type 2 diabetes, and some types of cancer. Eating healthy can also help prevent obesity and high blood pressure.

However, many people don't eat enough fruits and vegetables.

Fewer than 1 in 7 adults eat the recommended amount of fruits every day.

Fewer than 1 in 10 adults eat the recommended amount of vegetables every day.

How can Fruits & Veggies - More Matters Month make a difference?

Here are just a few ideas:

- Speed the work about programs that support local agriculture.
- Encourage families to make small changes, like keeping fresh fruit and carrot sticks within easy reach.
- Motivate local restaurants, stores, and other businesses to provide quality foods made with fresh fruits and vegetables.
