SAFE ENVIRONMENT TRAINING

It is our parish site's year to retrain on Safe Environment for Children Procedures. All parish volunteers and employees must update their training by attending a Safe Environment for Children training class or take the training online at www.shieldthevulnerable.org. For the on-line course, please print your Certificate of Completion and turn it in to the parish office. Also, an \$8 donation would be helpful to cover the cost of the training.

For those who cannot take the training on-line, there will be a **Safe Environment training session offered at St. Anne on Thursday, October 17th at 7:00PM in Room 2** and other parishes throughout the Diocese. If you received the Safe Environment training at another parish since July 1, 2013, please provide a copy of your training documentation to the parish office for our records.

Please contact Lisa Promani lisap@stannechurchbyron.com or 34-6625 for any questions or concerns. Thank you for helping to protect our children.

ENTRENAMIENTO DE AMBIENTE SEGURO

Este año la parroquia estará entrenando para un ambiente seguro para proceder con los niños. Todos los feligreses voluntarios de la parroquia y todos los empleados deben renovar el curso atendiendo a una sesión de entrenamiento o tomando el curso en la computadora, entre a: <http://www.shieldthevulnerable.org/>. Después de tomar el curso favor de imprimir su certificado y entréguelo en la oficina de la parroquia. También su donación de \$8.00 ayuda mucho a cubrir los costos del entrenamiento.

Para todos aquellos que no puedan tomar su curso en la computadora, vamos a tener sesiones en la parroquia y también en muchas otras parroquias de la Diócesis. Si usted toma su entrenamiento en otro lugar después de Julio 1, 2013, favor de enviar o entregar su certificado a la parroquia para el archivo de sus records.

Favor de escribir a Lisa Promani a:

SERVE

STEWARDSHIP THOUGHT

When will I have given enough – of my income, of my time, of my talents? Today's Gospel suggests that only total stewardship will do: "When you have done all you have been commanded to do, say 'We are useless servants. We have done no more than our duty.'"

PENSAMIENTO ADMINISTRATIVO

Cuando es que ya habré dado lo suficiente - de mi suelo, o mi tiempo o de mis talentos? El Evangelio de hoy sugiere que solamente una administración total de sus dones lo hace: "Cuando lo hayas hecho todo lo que se comanda hacer, di " Somos servidores pero hemos solo hecho lo necesario"

OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlas con un monto presupuestado, basado en "Ofrendas parte justa."

La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis.

Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti.

WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings."

The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese.

Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities

Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

Nurses Notes:

Its flu shot time

Influenza affect 5-15% of our US population and leads to approximately 3.1 million days of hospitalization. Patients that are particularly vulnerable to influenza are young children, the pregnant, the elderly, and those with chronic conditions like Diabetes are at greater risk for influenza related hospitalizations and death.

Flu symptoms include high fever, body aches, runny nose and sometime cough. It can make you feel miserable for 7 days.

In general the flu vaccine is approximately 60% effective which means that the risk of getting the flu is 60% less than for someone who didn't get vaccinated, and it takes approximately 2 weeks for the vaccine to take effect.

The flu season runs from now till May with the peak times of January and February.

Faith Community Nursing
Serving the community is our passion.
