STEWARDSHIP THOUGHT

The readings today speak of the end of the world and the coming of the Kingdom. The bishops' pastoral on stewardship says clearly that "that 'life to come' is in continuity with the present life through the human goods, the worthy human purposes, which people foster now." May our good stewardship cause us to be numbered among the chosen on the last day!

PENSAMIENTO ADMINISTRATIVO

las lecturas de hoy hablan del fin del mundo y la venida del Reino. la pastoral de los obispos sobre la administración, dice claramente que la 'vida verdadera' está en continuidad con la vida actual a través de los bienes humanos, los fines humanos dignos, que la gente fomenta hoy". Q nuestra buena mayordomía nos lleve a estar entre los elegidos en el último día!

OFRENDAS DE LA SEMANA

En el pasado la parroquia iba a publicar las ofertas semanales y compararlos con un monto presupuestado, basado en "Ofrendas parte justa." La publicación de esta información fue suspendido por recomendación de la diócesis debido a una serie de robos que se han producido en algunos las parroquias de la Diócesis. Sus ofrendas semanales son muy importantes a la parroquia con el fin de cumplir con nuestras responsabilidades operativas. Pedimos que cada feligrés continuar en oración consideren una oferta consistente que ayude en el cumplimiento de esas responsabilidades. Su generosidad es su retorno al Señor todo el bien para ti. Hacer una inversión en el reino de Dios hoy!.

WEEKLY OFFERING

In the past the parish would publish the weekly offerings and compare them to a budgeted amount, based on "Fair Share Offerings." The publishing of this information was discontinued at the recommendation of the Diocese due to a number of burglaries that have occurred at some parishes in the Diocese. Your weekly offerings are very important to the parish in order to meet our operational responsibilities. We ask that each parishioner continue to prayerfully consider a consistent offering that will assist in meeting those responsibilities. Your generosity is your return to the Lord for his goodness to you. Make an investment in the reign of God today!

New to the Parish? Welcome! We extend our hearts and hands in Christian fellowship, as you join with us in worship. If you are new to the parish, registration forms are available in the foyer, online through our website or fill out this form, drop in the collection plate or mail to the office and we will mail a registration packet to you.

Manage Stress While You Manage Your Type 2 Diabetes

Stress can affect your blood sugar and insulin levels. So it's no surprise that learning to manage stress may help you keep your blood sugar under better control. It's important to look out for signals of unusual stress so that you can begin to find ways to cope with it.

What are some ways to deal with stress?

To cope with stress, try to find healthy behaviors that help you to feel more in balance. Here are some suggestions:

- **Stay active.** It can improve your blood sugar levels as well as your mood
- **Meditate.** Short periods of quiet reflection can improve your ability to cope with stress
- **Be positive.** Avoid negative thoughts by concentrating on things that you enjoy
- **Spend time doing something you enjoy.** Listen to music, take a bath, or work on a favorite hobby
- **Laugh.** Laughter may lower blood pressure and reduce stress hormones
- **Consider yoga.** This form of full-body stretching can help you feel calm
- **Get plenty of sleep.** Sleep loss may lead to weight gain and may interfere with your body's ability to use insulin
- **Make sure you have a good support network**
