### Catholic Campaign for Human Development

Please be generous in this week's second collection for the Catholic Campaign for Human Development. In the United States, one in seven people lives in poverty. With this collection you support programs that address the causes of poverty and provide a sustainable future for those who are struggling across the country. In addition, 25 percent of funds collected remains in our diocese to fund local anti-poverty projects. Please prayerfully consider how you can support this collection and work on the margins. More information about the Catholic Campaign for Human Development can be found at [www.usccb.org/cchd/collection](http://www.usccb.org/cchd/collection) and locally at [www.cchdeastbay.org](http://www.cchdeastbay.org). (Be sure to view the videos of the recent grant awards luncheon.)

### Campaña Católica para el Desarrollo Humano

Por favor, sean generosos en la segunda colecta de esta semana para la Campaña Católica para el Desarrollo Humano. En los Estados Unidos, una de cada siete personas vive en la pobreza. Con esta colecta, ustedes apoyan a programas que tratan con las causas de la pobreza y proveen un futuro sostenible a los que luchan por salir adelante en el país. Además, el 25 por ciento de los fondos recaudados permanece en nuestra diócesis para financiar proyectos anti-pobreza aquí. Por favor, en oración, consideren la manera de contribuir a esta colecta y de trabajar en la periferia. ### STEWARDSHIP THOUGHT

The readings today speak of the end of the world and the coming of the Kingdom. The bishops' pastoral on stewardship says clearly that "that 'life to come' is in continuity with the present life through the human goods, the worthy human purposes, which people foster now." May our good stewardship cause us to be numbered among the chosen on the last day!

### PENSAMIENTO ADMINISTRATIVO

las lecturas de hoy hablan del fin del mundo y la venida del Reino. la pastoral de los obispos sobre la administración, dice claramente que la 'vida venidera' está en continuidad con la vida actual a través de los bienes humanos, los fines humanos dignos, que la gente fomenta hoy". Q nuestra Buena mayordomía nos lleve a estar entre los elegidos en el ultimo día!

### *Nurses Notes*

#### MEDICATION ADHERENCE

##### Helpful hits to stay on track

- 1 Contact your doctor or pharmacist and ask them how to take your medicine correctly. They can tell you how to manage your medications, including what to do if you miss a dose, whether you can take them with other drugs or vitamins, foods to avoid, and any possible side effects and interactions.
- 2 . Ask your doctor or pharmacist what you need to check and how often. For example, it may be important for you to know your blood pressure or blood sugar readings on a regular basis.
- 3 Use a reminder tool. Make it easier to keep track of your medicine schedule with a pill box, calendar, mobile phone, or medication tracker app. Create alarm reminders so you don't forget to take your doses.
- 4 Set up your routine. Get in the habit of taking your medicine at the same time each day, or during a daily activity such as eating breakfast or dinner.
- 5 Keep your eye on the bottle. Place your medicines where you can see them every day, like your kitchen counter or nightstand — as long as it's a cool, dry place away from children and pets.
- 6 Ask family or friends to remind you to take your medication and to refill them on time.
